## **ACCOUNTANT 100% (w/m)**

The accountant is responsible for maintaining accurate books and records of different Group Companies in accordance with the Company's Policy & Procedures and OR. This position works closely with the entire accounting team within headquarter and their subsidiaries.

### **Job Description**

This opportunity will appeal to someone who thrives in the fast paced, growing company and enjoys the challenges of developing new accounting processes in the current implementation phase of a new trading and accounting system. As the organization grows, so will the demands of the position. The ideal candidate is a hands-on strategic individual who is happy to roll-up their sleeves and move between responsibility levels. They must be able to work well independently as well as in a highly collaborative team environment.

### **Essential Functions**

- Ensure that all trade related transactions are accounted for in accordance with OR
- Responsible for certain aspects of the month-end close process including journal entry preparations (e.g. commodity valuation, accruals, prepaid and reclassification, etc.) balance sheet accounts and analytics.
- Responsible for revenue recognition and COGS postings
- Responsible for inventory valuation of several commodities
- Responsible for recording and reconciliation of inventory financing transactions
- Contact person for audits
- Special projects as requested

### **Requirements:**

- Minimum 3-5 years of progressive general accounting experience
- Trade accounting experience preferred
- Bachelor's degree in Accounting/Finance
- Knowledge and thorough understanding of IFRS
- Strong business acumen and logical problem solver
- Strong written and verbal communication skills and an ability to work with diverse groups of people
- Strong proficiency in Microsoft office applications and with advanced level Excel
- Strong proven track record in general accounting

Our client offer an interesting and challenging working environment within our Group accounting team in Baar.
